Don't forget to take their masks off and post their pics and info online. Let everyone know who they are.

Zip ties, duct tape, and sharpies. Tape them to utility poles and write their crimes on their forehead.

Zip ties are great like that, could string 20 of them together end to end! One size fits most!

Sounds fishy.

Did you know that forcefully detaining someone as a civilian could net you kidnapping charges? With the DC police being such faggots, they'd probably shove over the elderly to arrest a patriot interfering with their precious antifa and BLM terrorists.

If you're going to zip tie someone, be damn sure that you're in the right by doing it.

In other words, be careful and godspeed.

When the enemy has tunnel vision, a pincer move is quite advantageous, if you can read between the lines of my last post.
